

Dear Guests

To allow you and all the people around you to have a lovely time on and at the lake, please obey the following points:

- The Islands and reed are part of nature reserve, do not enter them
- Keep your distance from reeds, other boats and people fishing from the shore
- The Pedalos are not for swimming from. Stay in the boat at all times
 - The front and the back of the boats are both slippery and fragile. Do not climb on them
 - Sailors and windsurfers have priority
- Bring all trash back to the shore, then dispose of it in the appropriate bin
- If you return the boat dirty, you will be asked to clean it at the harbour
- In case of a thunderstorm, return to the harbour immediately

Thank you!
